2023 Civil Air Patrol – Texas Wing Conference
Space Center Houston Trip

Space Center Houston – 30 April

Our group trip to Space Center Houston is scheduled to arrive at 1000 on 30- April. We must arrive as a group on time to honor the tickets. We prefer to have families go to Space Center Houston on their own after checking out of the hotel, however, there will be limited van transportation available. You MUST request that while purchasing your ticket in Eventbrite.

Unaccompanied cadets will be assigned a senior member for supervision.

Although, we must arrive as a group, we may leave as we wish. If you have travelled on your own, you may leave whenever you are ready. Those taking the CAP van transport must depart at 1330 to return to the hotel.

There is a minimum requirement of 20 people in our group, or the trip will be cancelled, and the purchase price will be refunded from Eventbrite.

Parking
Individual parking is $5. Cash and credit cards are accepted at the toll plaza, or you may prepay by purchasing a parking voucher at the website spacecenter.org

We look forward to seeing you!
